THIN FILM INTUMESCENT COATING

PRODUCT SHEET

60 MINUTE WATERBORNE FIRE PROTECTION, THE GREENER ALTERNATIVE TO PROTECTING STRUCTURAL STEEL

GLOBAL COMPANY

The Jotun Group is one of the world's leading manufacturers of paints, coatings and powder coatings.

Jotun's operations cover development, production, marketing and sales of various paint systems and products to protect and decorate surfaces in the residential, shipping and industrial markets.

BENEFITS

- Proven, high-quality specialist products and systems.
- Consistent high-quality products.
- Global experience with local knowledge.
- Unrivalled expertise in solving complex protection problems.
- Multi-skilled technical support.
- Simple supply chain, saves time.

SINGLE SOURCE SOLUTION

- Single Source. Multiple Solutions.
- Committed to supplying decorative paints, intumescent coatings, floor coatings, steel and concrete protective coatings, architectural and reinforcing steel bar powder coatings, while delivering solutions that ensure the project remains true to its vision.
- Qualified teams meet the global challenges and needs of the construction industry. They provide new technology, customised solutions, unparalleled customer service and extensive technical expertise and support.

Steelmaster|60WB
